CALL FOR SPONSORSHIP
Network Conference 2017
Lund, May 18-20, 2017

Dear promoters of a sustainable future,

We would like to offer you a unique opportunity to expose your brand and your sustainability profile to worldwide practitioners in the field of sustainability. This opportunity is linked to the 10th IIIEE Alumni Network Conference, which will take place in Lund May 18-20, 2017. By becoming a sponsor of this event, you will have the possibility not only to communicate your own sustainability work but also to find potential partners and recruit highly competent employees.

In order to make this 10th conference happen, help some of our alumni network members to join the event and for us to administrate the information sharing within the network, we are now looking for sponsors. We think you should use this opportunity to meet and engage with environmental practitioners from all corners of the world!

We offer you three different sponsoring options:

Sponsor Level	Representative attending full conference	Display in the conference facilities (poster/roll-ups etc.)	Company logo & name printed on all program material and conference invitation	Social Media Promotion	Sponsorship value
Platinum Sponsor	✓ 2 representatives	✓	✓	✓	50,000 SEK
Gold sponsor	✓ 1 representative	✓	✓	✓	35,000 SEK
Silver sponsor		✓	✓	✓	20,000 SEK
Bronze sponsor			✓	✓	10,000 SEK

Any surplus from sponsor contributions will go directly to IIIEE's Alumni Network fund to finance future educational efforts for sustainability.

We kindly urge you to consider this opportunity and communicate your interest or any questions by contacting Håkan Rodhe (T: +46 46 222 02 35; email: hakan.rodhe@iiiee.lu.se).

Yours Truly,

Rachelle Bissett-Amess
Chairperson of the IIIEE Alumni Netowrk Executive Committee

Representatives attending the full conference	This is a golden opportunity for your company to network with professionals in the field of sustainability from across the globe and representing numerous sectors. While networking, your company may harness the benefits of: 1. Penetrating new markets. 2. Establishing business partnerships. 3. Exposure to new technologies and research. breakthroughs in the field. 4. Exposure to rich talent pool for the purposes of recruitment.
Display in the conference facilities (poster/roll-ups etc.)	Our conference is listed as part the celebratory activities for Lund University 350th Anniversary, which is expected to reach thousands of participants, guaranteeing a wider exposure of your company beyond the IIIEE alumni network.
Company logo & name printed on all program material and conference invitation	This will target our current alumni members and conference guests, which will provide exposure of your company's name to some 800 Alumni working in the field of sustainability across 80 countries of the world.
Social Media Promotion	We run our own social media channels, mainly on Facebook through the EMP Alumni account.
