Total time other work experience.	Years:	Months:

By submitting this document to my application account on www.universityadmissions.se or www.antagning.se I confirm that, to the best of my knowledge, the information I have provided in this form is true and correct.

Statement of purpose

1. Describe yourself (e.g. your interests) and then (a) how you became interested in or involved with environmental and social issues, and (b) why the environment and sustainability is important to you (max. 250 words):

2. Explain how you hope to gain from, and contribute to, the EMP Programme (max 250 words):

3. Describe (max 250 words) what future plans you have upon completion of the EMP Programme:

As an additional means of enriching your 'statement of purpose' we strongly encourage you to film a ca. one-minute video where you present yourself and your motivations to undertake the EMP Programme. Share your video via the web (only YouTube) and send the link to emp@iiiee.lu.se. Clearly indicate your name in the email. Ensure that you make the video available for anyone that has the direct link.

I have submitted a one-minute video via email to emp@iiiee.lu.se (clearly indicating my name in the email): Yes ☐ No ☐
Additional information – **Reference letters**
You should submit two reference letters, preferably one academic and one work-related. Please review the specific instructions for submitting recommendations and then provide them to your referees. These are available from this link: www.iiiee.lu.se/education/masters-programme-environmental-management-and-policy-emp/emp-programme-admission. You may submit the letter/s yourself to your application account, or your reference person/s can send them directly according to the instructions.
Additional information – **CV**
Please submit a CV to your application account on www.universityadmissions.se. We do not require the CV to be in a specific format, but a maximum of 2–3 pages is recommended.
